Annex and Refurbishing Update: Six new doors will be put on the building starting Monday., , Kristin Elouadrhiri, Vice Principal Kapica, and Verna Flores-Anthony met with the CPS

subcontractors to talk about furniture and furnishing for the new annex. Some of the furniture from the mobiles will be used throughout the building. Lakeshore wood furniture will be used in the new kindergarten classrooms. Preschool may be moving to Beard, or to the new Early Learning Center being created in the St. Cornelius building. There is still concern that the school enrollment has increased so quickly, (up 64 students since last spring) the new annex will not be enough space and we will need to keep one more mobile up.

The issues of the congestion of buses, construction vehicles, parents dropping off students, and local traffic, loss of the parking lot during construction, was discussed.
